Selection: We aim for a diverse participant group and select based on e.g., time of submission of application, motivational statement, country of origin, professional background, and student status

Certificate: Available upon request to those completing at least 80% of the sessions for an administrative fee of € 50,00.

The [tropEd Network](#) warmly invites to its 4th online summer school with contributions from experts and 13 tropEd member institutions from the regions of Africa, Asia, Europe, and the Americas. Participants will have the opportunity to learn from and exchange on current issues in global health, and to find out more about what the tropEd Network has to offer to students and higher education institutions.
